

City of Iowa Colony
Crime Control and Prevention District
Board of Directors

Board
Minutes of Meeting
November 17, 2020
7:00 p.m.

1. Call to Order.

Chair Kerr called the meeting to order at City Hall with a quorum present.

Present: Brenda Dillon, Daniel Kerr, Diana Tahtinen, Benjamin Pahl,
Absent: Steve Bradbery, Va'Shawnda McLean, Megan Sabljakovic.

2. Pledge of Allegiance.

Chair Kerr led the group in the Pledge of Allegiance to the U.S. and Texas Flags.

3. Comments from the public.

Chair Kerr welcomed Council Member Arnetta Murray to the meeting. He then called for comments from the public. There were none.

4. Consideration and possible action to approve minutes of the August 18, 2020 Board meeting.

Diana Tahtinen made a motion to approve the minutes of the August 18, 2020 meeting. Brenda Dillon seconded the motion and it carried unanimously.

5. Consideration and possible action to approve purchase of a two-way radio and audio recording solution as budgeted.

Chief Bell made a report and recommendation to purchase the two-way radio and audio recording solution. This product is to record radio traffic for the dispatch center. Brenda Dillon made a motion to approve the purchase of the two-way radio and audio recording solution, provided by Nice in the amount of \$8,472.00 as budgeted. Diana Tahtinen seconded the motion and it carried unanimously.

6. Consideration and possible action to approve the financial report and invoices since the August 18, 2020 Board meeting.

City of Iowa Colony
Crime Control and Prevention District
Board of Directors

Benjamin Pahl made a motion to approve the financial report and invoices since the August 18, 2020 meeting. Diana Tahtinen seconded the motion and it carried unanimously.

7. Consider staff reports.

Chief Bell gave a report on Police Department activities and plans. A report was provided on the Click It or Ticket program for selective traffic enforcement during the Thanksgiving holiday time. The city received a grant for 90 hours of traffic enforcement over the next two week period.

Staff and Board discussed amending the purchasing and approval procedures for the Board to consider given the maturing of the Board and the city operations. There will be an item on the next agenda.

8. Adjourn.

Brenda Dillon made a motion to adjourn at 7:42 p.m. Benjamin Pahl seconded the motion and it carried unanimously.

Passed and approved this _____ day of _____, 2021.

Brenda Dillon, Board Secretary

We want to thank you for the opportunity to submit this proposal. Based on our discussions, we've identified some ways Voice Products Inc. can help your organization meet your unique requirements. This proposal outlines our recommendation for an offering tailored to your needs and provides a summary of the initial estimated investment.

We look forward to receiving your feedback on this proposal, and we appreciate the opportunity to work with the Iowa Colony Police Department's team to ensure the long-term success of the project.

For any questions or other information, please feel free to contact me. Thank you for your time and consideration of this proposal.

Sincerely,

Jennifer Foulke

Voice Products Inc.

U.S. General Services Administration

Texas Department of Information Resources

Proposed Solution

We based the following offering on the Iowa Colony Police Department's stated requirements and the Voice Products Inc. team's experience with projects of a similar size and scope.

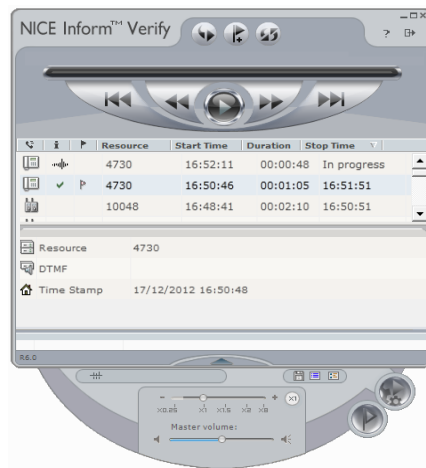

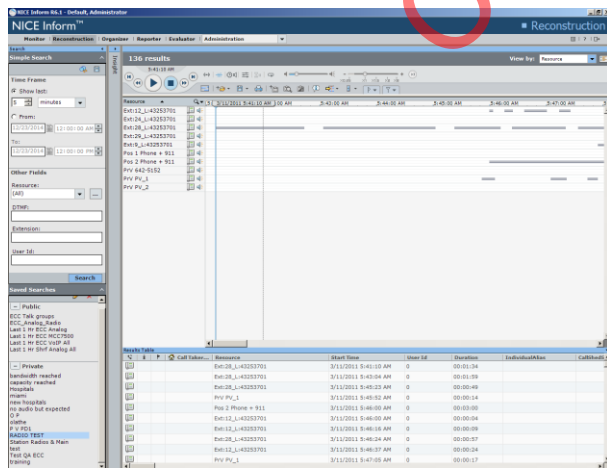

NICE Inform Recording Essential Package

NICE Inform Recording with Next Generation Emergency Center Solution that enables organizations to generate accurate event reconstructions, ensuring the right information is in the right place, at the right time to handle investigative inquiries.

System Solution Summary

Key capabilities of the **NICE Inform Recording** package include:

- 3 X Audio Recording Licenses for Analog devices.
- System Installation = recorder settings, content retention rules, etc.
- User Administration = User, Group and permission settings.
- System Status = Recorder Status, Media Management, Channel Overview, Monitor, Alarms & Audit Trail.
- Audit Trail = Track who did what, when and from where.
- Reconstruction = Long Term Search-and-Replay Software provides simultaneous multi-channel playback.
- Audio Redaction = Allows users the ability to "whiteout" any part of the saved audio that you cannot release due to privacy regulations without altering the original recording.
- Verify = Instant recall of recent audio interactions.
- Monitor = Listen in on active Interactions.

- Mid-way Project Management Teleconference
- Debriefing Teleconference

Additional Information

Pricing

- This proposal has been prepared and is being provided by Voice Products Inc. to Iowa Colony Police Department for budgetary purposes only. The information contained in this proposal is subject to change due to factors that include, but are not limited to, the number of products or services desired to be purchased by Iowa Colony Police Department.
- Iowa Colony Police Department's purchase from Voice Products Inc. of products and services is subject to (a) the parties entering into and executing Voice Products Inc. Purchase and Services Agreement (b) Iowa Colony Police Department issuing a purchase order to Voice Products Inc. for the products and services desired to be purchased by Customer
- The software pricing information contained in this proposal is firm for 90 days from the date of this proposal.
- The pricing contained in this exhibit is valid for this order only. Additional features and services are available at an additional cost. For more details or a quotation, please contact your Voice Products Inc. sales representative.
- Prices outlined in this proposal are exclusive of, and the customer will be responsible for, any excise, sales, import and use taxes, and like charges imposed concerning the products licensed or services provided by Voice Products. All prices quoted in U.S. Dollars.
- The total cost of the Services is exclusive of travel and out-of-pocket expenses incurred by Voice Products Inc. in connection with its performance of the Services ("Expenses"). Voice Products Inc. shall invoice Customer for Expenses monthly in arrears. Any Expenses incurred by Voice Products Inc. shall conform to Voice Products' Expense Reimbursement Policy are invoiced at cost without markup.
- Applicable shipping charges for software, hardware, and services are in addition to prices listed.

Integration

- The customer is responsible for hardware, software, interfaces and other related fees associated with enabling the integrations and other servers or systems to communicate with the NICE solution such as PBX, ACD, ANI/ALI, Text, and so forth.
- Licenses do not include connectors or reports for the contact router, ANI/ALI, ACD or PBX systems and so forth. The customer should contact the respective vendor for information related to those fees. Integrations with certain vendors may also require additional fees.
- For integrations that NICE Systems does not currently support, the customer may be requested to initiate discussions between the Voice Products Inc. Professional Services team and the respective vendor. Please note that additional charges may occur.

Improve the Performance and Future-Proof YOUR OPERATIONS

Recording *re*Invented

Increasing citizen needs and expectations are dramatically changing the Public Safety communications landscape. That's why NICE is reinventing recording and incident intelligence management – to help you improve your PSAP operations today while also preparing for what's on the horizon.

The NICE Inform Platform

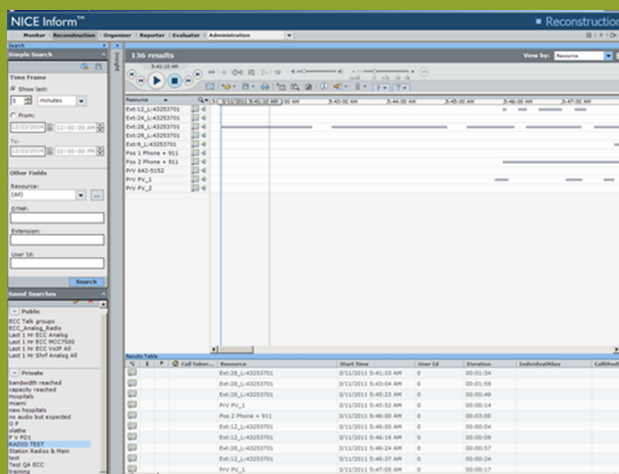

NICE Inform is a platform comprised of modular applications for incident information management that can run over traditional and IP-based networks. It records interactions between the public, emergency centers and first responders. All captured incident information is synchronized with call and radio recordings and put into context to help you improve investigations.

Inform Multimedia Recorder logs analog, digital and VoIP calls, and radio traffic. The robust radio over IP (RoIP) recorder has been developed, tested and deployed jointly with Motorola and others over nearly 20 years.

Inform Reconstruction synchronizes and puts into context isolated information from multiple channels recreating who did what, when and where during an incident.

Inform Monitor provides near real-time monitoring of multiple channels and automatic Recent Call Replay (RCR) of the last call on a selected channel.

Inform Verify enables instant replay of the last recordings over a search period.
