

City of Iowa Colony
Crime Control and Prevention District
Board of Directors

Board
Minutes of Meeting

April 1, 2021
7:00 p.m.

1. Call to Order.

Chair Kerr called the meeting to order on Zoom with a quorum present

Present: Brenda Dillon, Daniel Kerr, Diana Tahtinen, Benjamin Pahl, Steve Bradbery, Megan Sabljakovic
Absent: Va'Shawnda McLean

2. Pledge of Allegiance.

Chair Kerr led the group in the Pledge of Allegiance to the U.S. and Texas Flags.

3. Comments from the public.

Chair Kerr called for comments from the public. There were none.

4. Consideration and possible action to approve minutes of the November 17, 2020 Board meeting.

Diana Tahtinen made a motion to approve the minutes of the November 17, 2020 meeting. Steve Bradbery seconded the motion and it carried unanimously.

5. Consideration and possible action to amend purchasing procedures for the Board.

Chair Kerr and all present board members decided to defer this line item until the next meeting in hopes that Ron Cox and all board members will be present.

6. Consideration and possible action to approve the financial report and invoices since the November 17, 2020 Board meeting.

Diana Tahtinen made a motion to approve Del invoices. Megan Sabljakovic seconded the motion and it carried unanimously.

Benjamin Pahl made a motion to approve Ron Cox Consulting invoice. Diana Tahtinen seconded the motion and it carried unanimously.

Steve Bradbery made a motion to approve Larry Boyd invoice. Brenda Dillon seconded the motion and it carried unanimously.

City of Iowa Colony
Crime Control and Prevention District
Board of Directors

Megan Sabljakovic made a motion to approve VoiceProducts invoice. Diana Tahtinen seconded the motion and it carried unanimously.

Steve Bradbery made a motion to approve WatchGuard invoice. Benjamin Pahl seconded the motion and it carried unanimously.

Megan Sabljakovic made a motion to approve the financial report since the November 17, 2020 meeting. Brenda Dillon seconded the motion and it carried unanimously.

7. Consider staff reports.
Chief Bell gave a report on Police Department activities.

8. Adjourn.

Brenda Dillon made a motion to adjourn at 7:32 p.m. Steve Bradbery seconded the motion and it carried unanimously.

Passed and approved this _____ day of _____, 2021.

Brenda Dillon, Board Secretary

bioCAPTUS R55 Pro

Biometric Handheld Device

The **bioCAPTUS R55 Pro** is a rugged android biometric handheld device, with built in FAP 30 fingerprint scanner, specifically designed to capture high quality fingerprint images in the field. The **bioCAPTUS R55** can be bundled together with Fulcrum's RISCmobile App making mobile identification of FBI wanted suspects practically instantaneous.

Color capacitive touchscreen

5.5" OLED (1920 x 1080 FHD)
 Super wide view
 Strengthened glass
 Ambient light sensor

Quad Core 1.5 GHz processor

ARM® Cortex-A53

Vibration device,
 Accelerometer,
 Proximity sensor

Exceptionally bright

Wireless charging

Fingerprint sensor

FAP 30, FBI PIV-071006
 certified 500 ppi

About RISCmobile

RISC supports rapid mobile identification searches using a minimum of two or maximum of ten fingerprint images (flat or rolled) against a population that currently includes:

- Wanted Persons (including the Immigration Violator File)
- National Sexual Offender Registry Subjects
- Known or appropriately Suspected Terrorists
- Other Persons of Special Interest

Current RISC responses include the Red/Yellow/Green flag, the category of hit, the Master Name, the FBI Number, and limited NCIC information with the ability to request rap sheets.

The Byrna™ HD (Home Defense) launcher is a non-lethal self-defense and personal security device. Byrna chemical irritant projectiles cause an immediate burning sensation in the attacker's eyes and respiratory system (hence the name "bur-nah") incapacitating an attacker. Byrna Kinetic projectiles can be used for self-defense and training.

REGULATION AND PERMITTED USE

The Byrna HD is not a “firearm” under federal law. States and municipalities may regulate possession and use of the Byrna launcher and Byrna projectiles, including its transportation in a vehicle, use by certain categories of persons, and use in certain venues. The use of chemical irritant projectiles for any reason other than self-defense is a crime. Possession of compressed CO₂ cartridges is regulated in certain venues, including airports. Always check applicable laws and regulations before transporting or using your Byrna launcher.

THE USER ASSUMES ALL RESPONSIBILITY FOR ANY UNSAFE, IMPROPER, OR UNLAWFUL POSSESSION OR USE.

DISCLAIMER AND ASSUMPTION OF LIABILITY

Misuse of the Byrna HD may cause serious injury or death and subject the user to criminal and civil liability. Byrna Technologies Inc. (“Byrna”) will not be liable for any injury, loss of life, or property damage resulting from the use of the Byrna HD, whether resulting from its intentional, reckless, negligent, or accidental discharge.

Seek legal advice or ask your local police department if you are unsure of the application of any law or regulation. **If you are not willing to assume this liability do not use this device.**

WARNING

May cause serious injury or death. The Byrna HD personal security device is not a toy. Keep out of the reach of children. Byrna chemical irritant projectiles are filled with a powerful chemical irritant intended to provide a non-lethal option for self-defense and personal security where and in the manner permitted by applicable law. Keep safety on when not in use. Take all reasonable precautions you would take with a firearm to prevent unintentional injury to person or property.

PLEASE FAMILIARIZE YOURSELF WITH ALL STATE AND LOCAL LAWS RELATED TO AIR POWERED GUNS AND PEPPER OR TEAR GAS SPRAYS AND READ THIS MANUAL IN ITS ENTIRETY BEFORE USE OR STORAGE. CONTENTS ARE DANGEROUS. USE WITH CARE.

USING YOUR BYRNA SAFELY

- Make sure you fully understand how the Byrna functions before use.
- Careless use may result in serious injury or death. The Byrna HD should not be used by anyone under the legal age or under the influence of drugs or alcohol.
- The Byrna launcher is not a toy and should never be left without the safety on or within the reach of children.
- Never point a Byrna launcher at any person or animal except in self-defense.
- Never point a Byrna launcher at anyone or anything you do not intend to shoot.
- Discharging a projectile to impact the head, neck, or spine may cause serious or permanent injury (including death).
- Byrna chemical irritant projectiles contain one or more of the following: oleoresin capsicum (OC), nonivamide (Capsaicin II / PAVA), ortho-chlorobenzamalonitrile (CS / Tear Gas). These agents cause skin, eye, and respiratory irritation. Handle with care!
- Protective eye-wear should be worn when possible by the operator of the Byrna HD and by all persons in or near the target area. Precautions should be taken to ensure that projectiles don't leave the target area and don't endanger any nearby person, animal, or property, including on adjoining lots and in any public walkway or road.
- Operational temperature range is from 20° F to 120° F. Do not leave the CO₂ cartridge, or a Byrna launcher with a CO₂ cartridge installed, in temperatures below 20° F or over 120° F.
- Do not attempt any repair of your Byrna HD. In case of malfunctions contact the Byrna customer service department, or visit www.byrna.com/service for assistance.
- This device may contain chemicals known to the state of California to cause cancer and birth defects, or other reproductive harm.
- Never rely on the launcher's mechanical safety to prevent an accidental discharge. A mechanical device can fail, so following safe handling rules and procedures is critical to avoiding accidents.

IMPORTANT SAFETY CONSIDERATIONS

- In the event of exposure to contents of chemical irritant projectiles, seek medical attention immediately. See First Aid section on pg. 24 of this manual for more information.
- Where possible avoid deploying chemical irritant projectiles in areas of intended egress.
- No product is 100% effective. The effects of Byrna chemical irritant projectiles may vary from person to person.
- In the event you must discharge your Byrna HD in self-defense, get out of harm's way as quickly as possible.
- Store device in a secure, dry location.
- Be mindful that kinetic projectiles may rebound or change course on impact with hard surfaces.
- Be mindful of persons behind or around your intended target.
- Treat every Byrna HD as if it were loaded and do not rely completely on the trigger safety. Never look into the barrel of a Byrna HD.
- Keep your finger off the trigger until ready to shoot. Keep the trigger safety in SAFE mode until ready to shoot.
- Do not use the Byrna with projectiles or CO₂ cartridges sold by any other company. They may not work properly, may damage your Byrna, or may become permanently lodged in your Byrna. Improper use in conjunction with non-Byrna products may void your warranty.
- Never use N₂ cartridges with your Byrna HD. The Byrna HD should only be used with Byrna CO₂ cartridges. Other gas cartridges may explode causing serious injury or death, as well as damage your launcher and void your warranty.
- Always remove projectiles and CO₂ before attempting any troubleshooting.
- Byrna chemical irritant projectiles contain micro-pulverized chemical agents designed to travel in the air upon impact. Wind conditions will affect performance.
- Discharge of the device, even without a projectile can cause serious injury, especially at close range. Never discharge a Byrna at someone's head even if empty.

GET TO KNOW YOUR BYRNA HD

FAMILIARIZE YOURSELF WITH THE CONTROLS AND FEATURES OF THE DEVICE.

SAFETY OPERATION

Never rely on the launcher's mechanical safety to prevent an accidental discharge. A mechanical device can fail, so following safe handling rules and procedures is critical to avoiding accidents.

Device is in **SAFE** mode when lever is in up position. To engage safety rotate lever to the up position.

Device is in **FIRE** mode when lever is in down position. To disengage safety rotate lever to the down position.

INSTALLING CO₂ CARTRIDGE

⚠ WARNING When the CO₂ pressure falls below a certain pressure the Byrna HD will cease firing. If the Byrna is exposed to an increase in temperature, the pressure may increase enough for the Byrna to be able to regain the ability to fire.

⚠ WARNING Use only Byrna authorized CO₂ cartridges in this device.

⚠ WARNING Always remove the CO₂ cartridge after use.

INSTALLING CO₂ CARTRIDGE

1. Put device in SAFE mode, remove magazine, and check to make sure no projectile is in the breach (see pg. 16-17 for reference).
2. Point barrel in a safe direction. Remove CO₂ cap using cap tool (built into magazine base).
3. Insert new, unused CO₂ cartridge into CO₂ chamber and use your finger to push cartridge firmly to the back of the chamber.
4. Replace cap using cap tool. **DO NOT OVER TIGHTEN.** Cap should sit flush with body of launcher.

IMPORTANT: Do not leave a punctured CO₂ cartridge in the device as this may cause premature wear of the CO₂ seal, leading to leaking of CO₂ gas. The device may be stored with a new CO₂ cartridge installed.

REMOVING CO₂ CARTRIDGE

⚠ WARNING Even when there is insufficient CO₂ remaining in a cartridge to fire a projectile, your Byrna will remain under pressure. Always keep barrel pointed in a safe direction when unscrewing the CO₂ cap.

REMOVING CO₂ CARTRIDGE

1. Put device in SAFE mode, remove magazine, and check to make sure that no projectile is in the breach.
2. Point barrel in a safe direction and carefully bleed off any remaining CO₂ gas by loosening CO₂ cap with CO₂ cap tool (built into magazine base).
3. Remove CO₂ cap and used CO₂ cartridge.

TROUBLESHOOTING: When CO₂ gas is still in the device, unscrewing the CO₂ cap will vent the system. In such cases it is normal to hear gas escaping. Cap may be difficult to unscrew when gas remains.

BYRNA PROJECTILES

Make sure you understand the different types of projectiles and steps to be taken in the event of exposure before loading your Byrna HD.

Byrna chemical irritant projectiles contain one or more of the following in micro-pulverized form: oleoresin capsicum (OC), nonivamide (Capsaicin II / PAVA), ortho-chlorobenzamalononitrile (CS / Tear Gas). They are designed to travel in the air and burst upon impact. Wind conditions will affect performance. **HANDLE WITH CARE!**

WARNING

- Harmful if inhaled
- Causes eye irritation
- May cause an allergic skin reaction
- Suspected of causing cancer
- May cause respiratory irritation

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Avoid breathing dust. Wash thoroughly after handling. Training with inert projectiles should be conducted outdoors or in a well-ventilated area. When cleaning an area contaminated with chemical irritant projectiles wear protective gloves, clothing, and eye-wear, and remove and contain contaminated clothing before leaving clean up area. If on skin: wash with plenty of soap and water.

IF INHALED: Remove person to fresh air and keep comfortable for breathing.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF EXPOSED OR CONCERNED: Get medical advice/attention. Call a poison center/doctor if you feel unwell. If skin irritation or rash occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Wash contaminated clothing before reuse. Store in a well ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.

Kinetic projectiles may rebound or change direction on impact. Protective eye-wear should always be worn by all persons in the area, and precautions should be taken to ensure that projectiles don't leave the target area when training or endanger any nearby person, animal, or property, including on adjoining lots and in any public walkway or road.

BYRNA HD MAX PROJECTILES

Byrna HD Max Projectiles contain one or more of oleoresin capsicum, ortho-chlorobenzamalonitrile, and nonivamide.

BYRNA HD PEPPER PROJECTILES

Byrna HD Pepper Projectiles contain oleoresin capsicum.

BYRNA HD INERT PROJECTILES

Byrna HD Inert Projectiles do not contain any active ingredients.

BYRNA HD KINETIC PROJECTILES

Byrna HD Kinetic Projectiles are made of hard plastic and do not contain any active or inert ingredients.

Store projectiles in a cool, dry place. The active ingredients in Byrna chemical irritant projectiles will maintain potency for 5 years. However the dispersion of the contents may be affected over time by exposure to external conditions. Based on data to date optimal dispersion shelf life is at least 18 months from package date.

LOADING & UNLOADING THE MAGAZINE

MAGAZINE LOADING:

Hold the magazine with the ball retaining bar facing away from you. Insert projectiles into the top opening of the magazine. Only slight pressure is required to push the projectiles past the ball retainer bar.

Repeat Step 1 until the desired number of projectiles have been inserted, up to the maximum capacity noted on your magazine.

MAGAZINE UNLOADING:

While holding your hand over the top opening of the magazine in order to receive the exiting projectile, gently pull down on the ball retainer bar.

CAUTION! Projectiles are under spring pressure and may exit with enough force to rupture if care is not taken to receive the exiting projectile. Protective eye-wear should be worn when loading the magazine and care taken to avoid inadvertent release of projectiles during loading.

DESIGNATING PAYLOAD

USING THE MAGAZINE BASE TO DESIGNATE PAYLOAD:

Byrna HD Kits containing chemical irritant projectiles include optional magazine base plates which feature 2 orange colored indicators. This allows a user to differentiate chemical irritant projectiles from other projectiles.

LOADED WITH
CHEMICAL IRRITANT
PROJECTILES

LOADED WITH
KINETIC OR INERT
PROJECTILES

Note: The Byrna HD Kinetic Version does not include optional baseplates or come with Chemical Irritant or Inert projectiles.

CHANGING THE COLORED BASEPLATE INDICATORS

STEP 1 First, be certain to wear appropriate eye protection. Next, follow the instructions on page 12 to make certain the magazine is unloaded.

STEP 2 Align a baseplate indicator with the tabs.

STEP 3 Insert the baseplate indicator into the tabs.

STEP 4 Slowly slide the baseplate off as shown, taking care to contain any installed indicator which is under spring pressure.

STEP 5 Install the new baseplate indicator of your choice and slide baseplate in position.

STEP 2

STEP 3

STEP 4

STEP 5

INSTALLING & REMOVING THE MAGAZINE

⚠ WARNING Make sure the Byrna HD is in SAFE mode before installing a magazine.

INSTALLING THE MAGAZINE:

1. Insure the breach chamber indicator is down and the breach chamber is empty (see next section on breach indicator).
2. Align the top of the magazine with the magazine well making sure the CO₂ cap tool is facing the rear of the device.
3. Firmly insert the magazine into the magazine well of the device, pushing upward until you hear a click and the magazine locks in place.

Note: Do not try to install a full magazine when a projectile remains in the barrel as this will cause your Byrna HD to jam.

MAGAZINE INSTALLED

⚠ WARNING Make sure the Byrna HD is in SAFE mode, the breach indicator is down, and the breach chamber is empty before preparing to remove a magazine.

REMOVING THE MAGAZINE:

1. Position your hand under the magazine in order to receive it upon exit from the device.
2. Firmly depress the magazine release button.
3. If applicable, depress breach indicator to clear chamber (see pp. 16-17).

BREACH INDICATOR

USING THE BREACH INDICATOR:

The Byrna HD is equipped with a breach indicator that allows the user to quickly identify whether a projectile is currently loaded into the breach of the device. The instructions below illustrate how to recognize the current breach status and how to clear the breach of a projectile when desired.

Breach contains a projectile when indicator is in the raised position.

Breach does not contain a projectile when indicator is in the down position.

HOW TO CLEAR A LOADED BREACH:

1. Place the device in SAFE mode.
2. Remove the magazine from the device.
3. Hold your hand under the magazine well in order to receive the exiting projectile.
4. Press the breach indicator button downward to release the projectile.

LAUNCHING PROJECTILES

Carefully read and understand all warnings and instructions before attempting to operate the device.

1. Point device at intended target.
2. Flip Safety down to Fire mode.
3. Firmly pull trigger all the way back to fire a projectile.

OPERATIONAL REVIEW

1. Place the device into SAFE mode (see page 7).
2. Install a CO₂ cartridge (see page 8).
3. Load the magazine with the desired type and number of projectiles (see page 12).
4. Insert the magazine into the device (see page 14).
5. Point device at the intended target.
6. While pointed at intended target place device in FIRE mode.
7. Pull trigger firmly to fire a projectile.
8. After using your launcher be sure to return it to safe mode before removing CO₂ cartridge, changing magazine, or storing.

TIPS FOR USING YOUR BYRNA HD

1. A proper hold helps optimize reliability, accuracy, and comfort.
2. Only the first joint of your trigger-finger should be inserted into the trigger guard to fire; positioning the pad of your finger on the center of the trigger as shown.
3. Do not put your finger on the trigger until the launcher is aimed at your intended target and you are ready to shoot.

TRAVELING WITH YOUR BYRNA HD

The Byrna HD is a gas-powered personal security device and is not regulated as a firearm under federal law but may be subject to state and local regulations related to use and carry. Always check your local laws before carrying a Byrna HD outside of your home.

AIRLINE TRAVEL: While the Byrna is not considered a firearm under United States federal law, it may be considered a firearm or its possession may be otherwise prohibited in other countries. When traveling domestically with your Byrna HD always check local regulation of gas-powered “air guns” at your points of departure and arrival as well as individual airline regulations. If you are traveling with chemical irritant projectiles also check local laws on tear gas weapons and pepper sprays. The Byrna may not be carried on your person through airport security checkpoints, nor may it be packed in “carry-on” baggage. Subject to local law and individual airline regulations the Byrna may be transported, unloaded, in checked baggage. A locked box may be required in some jurisdictions.

CO₂ CARTRIDGES: Never leave a CO₂ cartridge, punctured or unpunctured, in your Byrna when you travel. FAA regulations permit up to four (4) cartridges/cylinders (less than 28 g each) containing nonflammable gas, but individual airlines and the TSA may further regulate or restrict. Always check current rules before traveling as laws may change.

TRANSPORTING YOUR BYRNA IN A MOTOR VEHICLE: Some state and local laws regulate the transportation of gas-powered “air guns” and self-defense projectiles in motor vehicles. Always check local regulations in areas you intend to drive.

MAINTENANCE

Basic maintenance should be performed every 500 shots, or as needed. A list of currently approved maintenance procedures can be found at www.byrna.com/maintenance. For any service not listed please contact customer service. The Byrna features a 1-year limited factory warranty that may be voided if unauthorized service is attempted, the device is modified, or used with unauthorized projectiles or unauthorized gas cartridges. For factory service please contact Byrna Customer Service at info@byrna.com or visit www.byrna.com/service to obtain a return authorization number prior to shipping your device.

⚠ WARNING Always remove CO₂ cartridge and magazine and clear breach before performing any maintenance.

USING BYRNA OILER KIT (SOLD SEPARATELY)

STEP 1 First, be certain to wear appropriate eye protection. Next, follow the instructions on page 7 to confirm the safety is engaged, on page 9 to confirm CO₂ is removed, on page 17 to confirm the breach is cleared.

STEP 2 Install oiling guide into the CO₂ chamber.

STEP 3 Remove cap from oiling tool.

STEP 4 Insert oiling tool into CO₂ chamber.

STEP 5 Squeeze oil bottle very gently to dispense 2-3 drops of oil. Do not over oil.

STEP 6 Lastly, follow the instructions on page 18 to operate the launcher. Operating the launcher immediately after oiling allows air to force oil through the entire device. This step can be performed without firing any projectiles if preferred (ie with an empty magazine); however, be certain to observe all warnings and safety measures.

TROUBLESHOOTING

⚠ WARNING When attempting to resolve any performance issue make certain to keep the device pointed in a safe direction, engage the safety, eject the magazine and CO₂ cartridge, and confirm the breach is empty. Refer to the appropriate section of your Byrna HD manual for specific instructions on attempting troubleshooting solutions.

IF RECOMMENDED TROUBLESHOOTING SOLUTION DOES NOT WORK OR CAN'T BE UNDERTAKEN SAFELY, PLEASE CONTACT CUSTOMER SERVICE.

SYMPTOM	POSSIBLE CAUSE	POSSIBLE SOLUTION
Device does not fire	CO ₂ cartridge is missing or empty	Remove/ Install a fresh CO ₂ cartridge
	Safety is engaged	Disengage safety
Trigger stuck in forward position	Projectile jam	Remove CO ₂ then gently remove obstruction using barrel brush* if safely possible
	Object in breach	Possible obstruction: remove if safely possible
Device fires but no projectile exits	Empty magazine	Remove empty magazine. Clear breach. Install loaded magazine.
	Magazine obstruction	Remove CO ₂ then make certain the ball pusher in the magazine slides freely and completely to the top of the magazine.
	Barrel obstruction or projectile jam	Remove CO ₂ then gently remove obstruction using barrel brush* if safely possible
Full Magazine unable to be inserted all the way	6 th ball in breach	Remove magazine and depress the breach indicator button
	Object in breach	Possible obstruction, remove if possible
	Magazine turned the wrong way around	Make certain the magazine is oriented properly with the magazine well
CO ₂ punctures without depressing the trigger	CO ₂ cartridge was not pushed fully into chamber before screwing on cap	Remove/install a fresh CO ₂ cartridge taking care to fully press the CO ₂ cartridge to the back of the chamber before re-screwing cap
	Puncture pin is stuck, obstructed, or malfunctioning	Please contact customer service
Byrna creates hissing sound after puncturing of CO ₂ cartridge	Damaged CO ₂ seal	Please contact customer service

* Sold separately as part of Byrna Oiler Kit.

FIRST AID

Chemical irritants can cause severe injury, permanent disabilities, and in rare cases, death. Children, the elderly and those with chronic diseases are more vulnerable to the effects of chemical irritants. People with preexisting respiratory conditions such as asthma are likely to need medical attention and may sometimes require hospitalization or even ventilation support. Skin exposure to CS may cause chemical burns or induce allergic contact dermatitis. When people are hit at close range or are severely exposed, eye injuries involving scarring of the cornea can lead to a permanent loss in visual acuity.

In case of accidental discharge or exposure to chemical irritants seek medical assistance immediately.

AFTER INHALATION:

- Supply fresh air; consult a doctor in case of complaints.
- Provide oxygen treatment if affected person has difficulty breathing.

AFTER SKIN CONTACT:

- Immediately wash with water and soap and rinse thoroughly.
- If skin irritation or rash occurs: Get medical advice/attention.

AFTER EYE CONTACT:

- Remove contact lenses if worn.
- Rinse opened eye(s) for several minutes under running water. If symptoms persist, consult a doctor.

AFTER SWALLOWING:

- Rinse out mouth and then drink plenty of water.
- Do not induce vomiting; immediately call for medical help.

MOST IMPORTANT SYMPTOMS AND EFFECTS, BOTH ACUTE AND DELAYED:

- May cause respiratory irritation.
- Coughing.
- Breathing difficulty.
- Causes eye irritation.
- Allergic reactions.
- **DANGER:** Suspected of causing cancer.
Route of exposure: Inhalation.

INDICATION OF ANY IMMEDIATE MEDICAL ATTENTION AND SPECIAL TREATMENT NEEDED:

- Treat symptomatically.
- Contains N-vanillylnonanamide. May produce an allergic reaction.

SDS SHEETS FOR BYRNA CHEMICAL IRRITANT AND INERT PROJECTILES CAN BE FOUND AT WWW.BYRNA.COM/FIRST-AID. FOR ADDITIONAL INFORMATION CALL CHEMTEL 24/7 USA EMERGENCY RESPONSE AT 1.800.255.3924. FROM OUTSIDE THE USA CALL 01.813.248.0585

LIMITED FACTORY WARRANTY

The Byrna HD personal security device is warranted by Byrna Technologies Inc., solely to the original retail purchaser, to be delivered free from factory defects in materials and workmanship, under normal use, for a period of one year from the original date of purchase. To obtain warranty coverage, the warranty holder must (i) provide proof of original purchase, and (ii) the defective device must be safely and securely packaged and shipped before the expiration of the warranty period to Byrna Technologies Inc.'s designated service center in accordance with instructions provided with the Return Merchandise Authorization. The buyer's remedy under this warranty is limited, at the sole option of Byrna Technologies Inc., to a refund or credit to buyer of the price, or replacement of the defective device or other product. Byrna Technologies Inc. shall have the sole authority to determine if a claim is covered by this limited warranty.

EXCLUSIVITY OF WARRANTY AND LIMITATION OF REMEDIES

The remedy set forth above is the exclusive remedy for breach of the foregoing warranty. Except for the limited warranty expressly set forth above, Byrna Technologies Inc. makes no express or implied warranties or representations with respect to any Byrna products, including any warranty of merchantability, warranty of fitness for a particular purpose, or warranty against infringement of intellectual property rights of a third-party. Buyers and owners are prohibited from making any warranty or representation regarding any Byrna product that is inconsistent with the express, limited factory warranty set forth above. To the extent that applicable law does not permit for a disclaimer of express or implied warranties, Byrna Technologies Inc. hereby limits all express and implied warranties to one (1) year from the date of the original retail purchase.

PROHIBITED USES, ALTERATION, VOIDABILITY OF WARRANTY

Owners should not attempt taking apart or repairing of the Byrna HD, or using it with any unauthorized or incompatible accessories, projectiles, or gas cartridges. Any alteration, abuse, misuse, neglect, or attempt to disassemble the device or use or install any unapproved third party product may void the warranty. The warranty also may be voided if the Byrna or any accessory or other product is improperly handled, stored or shipped.

END USER'S ASSUMPTION OF RISK

Before use, the user shall determine the suitability of the product for its intended use, read and understand all instructions, warnings and safety considerations provided in this manual, take all reasonable precautions to ensure its safe use, and assume all risks and liabilities in connection with the purchase, possession, and discharge of the Byrna. Byrna Technologies Inc. shall have no liability nor shall it assume any obligation to the purchaser of any Byrna device or any third party for any special, non-compensatory, consequential, indirect, incidental, statutory, or other damages whatsoever, including, without limitation, punitive damages, lost profits, lost opportunities, lost revenue, loss of consortium, or other damage loss or injury whatsoever, regardless of the form of action and regardless of whether it sounds in contract, negligence, statutory or common law liability, or otherwise, known or unknown, even if foreseeable or explicitly informed, in any amount greater than the amounts paid by buyer to Byrna Technologies Inc. for the products, unless due to the gross negligence or willful misconduct of Byrna Technologies Inc.. The limitations set forth above shall be deemed to apply to the maximum extent permitted by applicable law and notwithstanding the failure of the essential purpose of any limited remedies. Any buyer who does not agree to this assumption of risk may return the products purchased, in their original packaging, unused, and in original condition within 7 days of purchase.

BYRNA VS. PEPPERBALL TCP

The Byrna less lethal launcher is much more versatile and practical than the Pepperball TCP

✓ **SIZE: 20% SMALLER**

The Byrna less lethal launcher is about the size of a compact handgun and carries extremely well. The TCP is comparable to a Desert Eagle and is large and cumbersome.

✓ **LOCATION OF CO₂ CARTRIDGE**

The Byrna less lethal launcher's CO₂ is located inside the frame and gives you double the use of a single CO₂ cartridge at full power. The TCP requires a CO₂ change every time you change the magazine.

✓ **READY INDEFINATELY**

The Byrna less lethal launcher's patented design allows for CO₂ charge and projectile fire on first trigger pull. The TCP has to be manually charged before you can fire it.

✓ **WEIGHT MATTERS**

Every ounce counts when your duty belt is loaded down with gear.. The Byrna less lethal launcher is more than 1/2 pound lighter than the TCP.

✓ **QUICK RELOADS**

The Byrna less lethal launcher allows for quick reloads without having to use and recharge another CO₂. The TCP requires a CO₂ and recharge every reload.

✓ **NO COUNTER PRESSURE**

The Byrna less lethal launcher does not have a counter pressure issue when reloading. The pressure blow back between the TCP and it's magazine when reloading causes multiple pepper balls to become lodged and rupture in the chamber.

Product	Byrna Less Lethal Launcher	PepperBall TCP
Size	5.62in x 7.28in	6.5in x 8.0in

Current Purchasing Procedure for Crime Control & Prevention District

- Annual Line-Item Budget is presented by the Chief or his/her designee
 - Large expenditures are planned and presented during budget proposal
- Obtain at least 3 quotes, unless sole source or cooperative purchasing agreement
 - Three quotes are presented at the next board meeting for approval
- Purchase made from the approved quote
- Invoice is sent to two board members for approval for payment
- Upon approval by both board members, payment is made

Current procedure delays the purchase of items which could change the price
Current procedure delays payment to vendors for items already approved

Proposed Purchasing Procedure

- Annual Line-Item Budget is presented by the Chief or his/her designee
 - Planned large expenditures are presented during budget proposal
- For expenditures less than \$5,000, if budgeted, no further action by the board
- For expenditures \$5,000 or more, obtain at least 3 quotes, unless sole source or cooperative purchasing agreement, if item is budgeted.
 - PD purchases item with no further action by the board
 - Purchased items may be explained during the next quarterly board meeting
- For expenditures unbudgeted obtain at least 3 quotes
 - Present planned purchase at the next quarterly board meeting prior to purchase
 - Board approves or denies purchase
 - Upon approval, purchase the item with no further action by the board
- Financial reports will be provided at each quarterly board meeting

TEXAS CRIMINAL LIVE SCAN SOFTWARE

■ What makes us unique?

Based in San Antonio, Texas, we're committed to keeping our products in-step with Texas law enforcement requirements so that you never need to worry about falling behind. As law enforcement serves around-the-clock to protect U.S. citizens and property, we want to ensure you are equipped with the best solutions to do your jobs efficiently. We have a 15-year history building biometric software that lowers your total cost of ownership.

Your law enforcement agency wants to expedite your criminal booking process and you are considering what kind of Live Scan software is a fit for you. You may be considering how to:

- Create and manage high quality biometric records through a repeatable and reliable process
- Replace a legacy system
- Increase effectiveness of law enforcement resources by requiring minimal operator training or proficiency

These may be some of your day to day considerations:

- Increase the capabilities and speed of Ten-Print and Palm-print capture
- Provide your officers with better tools they want to use
- Capture more than finger and palm prints – scars, marks, tattoos, mugshots, signatures, and iris images
- Integrate with local RMS/JMS and AFIS

Fulcrum Biometrics can help. The **FbF® LiveScan** software solution was built by biometrics experts to provide the out-of-the-box tool and the extensibility to tackle the criminal booking process with ease.

To speak with one of our knowledgeable subject matter experts in San Antonio, call 800-430-4601 or email us at info@fulcrumbiometrics.com.

Managing your live scan
booking process is easy!
...when you have the right
solution in place.

AGENCY NEEDS AND CHALLENGES

- Error reduction in the booking process
- Cost savings is evident in annual support costs, integration costs, volume discounts, tax exemption and more

USER NEEDS AND CHALLENGES

- Simple interface prompts the operator through the steps of capturing fingerprint slabs and rolls
- On-screen visualization of finger image quality scoring speeds the process
- Easy to use graphical interface requires minimal training
- Touch-screen functionality (option) speeds input
- Quality check and sequence check are automatic

I.T. NEEDS AND CHALLENGES

- Ready to implement (out of the box) features allowed by FBI Next Generation Identification (NGI) standards for live scan
- Certified with both 10-print and palm scanners
- Supports electronic submissions (SMTP, FTP)
- The print-to-card functionality is built in (license required)
- Fulcrum's expert maintenance and support staff are based in Texas
- Large capacity storage of transactions

THE FULCRUM BIOMETRICS TEAM IS HERE TO HELP!

If you have any questions regarding FbF LiveScan or how our products can improve your agency, our passionate team is here for you.

Call us today at **800-430-4601** or email info@fulcrumbiometrics.com.

Green Bit MultiScan527g

Ten-Print & Palm Scanner

The **MultiScan527g** is the definitive and most advanced palm scanner on the market today. Offering superior image quality and matchless acquisition speed, the **MultiScan527g** acquires not only ten-prints, rolls and half-palms, but also all types of supplemental prints as per FBI EBTS Appendix P standard: rolled thenar (ball of palm) and hypo-thenar (writer's palm), full finger flat and rolled (distal, medial and proximal) as well as rolled fingertip impressions.

The **MultiScan527g** comes with a straight forward and simple two-buttons interface designed for operators looking for a robust and easy-to-use interface to launch main acquisition modes.

Technical Specifications

Physical	Dimensions: 300 x 300 x 183 mm (H) Weight: 4.9 kg USB 2.0 User Interface: 2-buttons and 3-color LEDs based interface
Fingerprint/Palm Live Scan	4-slaps and half-palms up to 5" x 5", Rolled fingers up to 1.6" x 1.6" Rolled Thenar and Hypo-Thenar up to 4.5" x 3" Flat/Rolled Full finger up to 5" x 1.6", Rolled Fingertips up to 1.6" x 1.6"
Supported OS	Windows 7 and higher (32-bit and 64-bit). Linux Ubuntu and Fedora distributions in 32-bit and 64-bit configuration Android
Certifications	CE, FCC
Image Quality	FBI IAFIS IQS CJIS-RS-0010 (V7) Appendix F certified and Appendix P compliant
Compatibility	Fulcrum Biometric Framework (FbF®), VeriFinger SDK, MegaMatcher SDK

LEADING THE WAY IN LESS THAN LETHAL

- Less-than-lethal, handheld, pneumatic launcher powered by internally housed compressed CO₂ air cartridges.
- Launches .68 caliber projectiles of varied types at speeds of over 300 feet per second.
- Capable of accurately engaging targets at a distance of over 60 feet.

BYRNA HD MAX PROJECTILES

Byrna HD Max Projectiles contain one or more of oleoresin capsicum, ortho-chlorobenzamalonitrile, and nonivamide.

BYRNA HD INERT PROJECTILES

Byrna HD Inert Projectiles do not contain any active ingredients.

BYRNA HD PEPPER PROJECTILES

Byrna HD Pepper Projectiles contain oleoresin capsicum.

BYRNA HD KINETIC PROJECTILES

Byrna HD Kinetic Projectiles are made of hard plastic and do not contain any active or inert ingredients.

Subscription to this service plan guarantees access to the services detailed below.

1. Maintenance & Support Highlights:
 - \$150 per hour support charges waived
 - Free support for an unlimited number of incidents for a year
 - U.S. phone support available between 8:30am and 5:30pm U.S. Central Time (GMT -6)
 - Support portal access 24 hours a day
 - Renewable every year (discounts available for advance purchase of multi-year M&S packages)
 - Free bug fixes and product upgrades, both major and minor, during the subscription period.

Should the maintenance and support subscription lapse, Fulcrum Biometrics is under no obligation to provide patches, new versions, or upgrades.

2. Renewal Policy:

The initial term of the service plan is one year from the date of purchase (i.e. shipped from Fulcrum Biometrics) of your software. The "effective anniversary date" (EAD) of the subscription is the first day of the first full month after the anniversary of date of purchase. The subscription will automatically renew for the next twelve (12) months when Fulcrum Biometrics receives your payment. A renewal payment not remitted within 30 days of the effective anniversary date will cause the subscription to be canceled. In the case of a canceled or lapsed subscription, to receive support, you must either a) make the subscription current by paying any monies owed from the renewal date forward, or b) remunerate the current hourly technical support fees assessed by Fulcrum Biometrics. To receive support, the remedies outlined previously in this paragraph apply. Maintenance and support for licenses (seat or server) purchased between the initial purchase and the effective anniversary date will be added to the total licenses owned, and the subscriber will only need to remit one time a year (on the EAD) for all licenses being used.

This subscription may be terminated by Fulcrum Biometrics immediately and without notice if the subscriber fails to comply with any term or condition of this Agreement, or if a subscriber exceeds reasonable use of the subscription. If Fulcrum Biometrics chooses not to renew a subscription on the basis of excessive usage, such determination shall not be deemed to preclude customer support from Fulcrum Biometrics on a pay-as-you-go basis or under a limited incident plan, if available. From time to time Fulcrum Biometrics may change the terms or conditions of this subscription plan, method of delivering or accessing the subscription and/or the subscription fee.

3. Definition of an Incident:

For purposes of these terms and conditions, an "incident" means (a) a single issue or problem that a subscriber asks a support representative to analyze or resolve, (b) a product-usage question that involves a single topic on a feature or function of the software, or (c) a single request for installation or troubleshooting of peripheral hardware devices. The technical support representative will determine if any additional incidents may be handled during the course of the telephone or electronic contact.

4. General Policies:

During the term of the subscription, subscriber will receive support for an unlimited number of incidents. Fulcrum Biometrics reserves the right to limit each contact (telephone or electronic) to one incident as defined above. Fulcrum Biometrics may also choose to limit, terminate, or not renew support service for any subscriber who uses the service in an irregular, excessive, abusive, or fraudulent manner. Terms, conditions, support features, procedures, pricing and support availability for future periods are subject to change at any time without notice. Coverage is non-transferable and is valid for the subscriber only. Resale or transfer of subscription rights is strictly prohibited, and will be grounds for termination or non-renewal of the service plan.

5. Support Availability:

Support availability may vary from stated hours due to downtime for systems and server maintenance, company events, observed U.S. holidays, and events beyond our control. For subscribers in the United States, please call the Fulcrum Biometrics support number (210-257-5615 or 800-430-4601) between 8:30am and 5:30pm Central Time. Subscribers located outside the United States, are encouraged to call Fulcrum Biometrics or set up Skype accounts for verbal conversations. Customers can place support tickets online at <http://support.fulcrumbiometrics.com>. Off-hours support can be arranged by appointment.

As an active subscriber, you may be eligible for additional products, services, and/or discounts when and if such additional products, services and/or discounts become available. These additional offerings or offers may be subject to additional terms, conditions and limitations.

6. Support Topic Limitations:

Inquiries are limited to the following Software product areas: installation, upgrade assistance, basic functionality, and hardware troubleshooting. Fulcrum Biometrics will also assist subscribers with basic connectivity issues between client and server components installed in the same network to the extent necessary to confirm whether such issues relate to equipment or software within Fulcrum Biometrics control. However, Fulcrum Biometrics shall not be responsible for connectivity issues caused by user network setup or configuration, or third-party services, service providers, hardware, or software. The service plan does not cover application consulting or training. Fulcrum support hours and response time guarantees do not apply to third parties to whom Fulcrum Biometrics transfers or escalates a call, in cases where a third parties' hardware or software are involved.

7. Product Upgrade Limitations:

Fulcrum Biometrics will send service plan subscribers new software version upgrades when and if a new release is available for their edition of the product during the subscription period. Subscribers will NOT be entitled to receive a version upgrade released after the expiration date of their subscription. Version upgrades are provided for use by subscribers only and are strictly prohibited from resale.

8. Supported Products and Services:

The service plan subscription covers all supported versions of software (as defined in the Software End User License Agreement) and any services included in the service plan. Support availability for a particular version is subject to change at any time without notice.

9. Privacy Statement:

Your subscription is subject to Fulcrum Biometrics privacy policies, as may be amended from time to time, as set forth in our Privacy Statement: http://www.fulcrumbiometrics.com/terms_privacy.asp. By registering for this subscription, you consent to the use of your personally identifiable information in accordance with such privacy statement.

WARRANTY

Fulcrum Biometrics warrants that its proprietary software will conform to manufacturer specifications and are free from defects in material and workmanship when used under normal operating conditions and within the service for which they were furnished for 90 days.

The obligation of Fulcrum Biometrics hereunder shall expire 90 days after delivery, unless otherwise specified, and is limited to repairing, or at its option, replacing without charge, of any such product which in Fulcrum Biometrics sole opinion proves to be defective within the scope of this warranty. In the event Fulcrum Biometrics is not able to repair or replace defective products or components within a reasonable time after receipt thereof, Buyer shall be credited for their value at the original purchase price.

Fulcrum Biometrics must be notified in writing of the defect or non-conformity within the warranty period and the affected products returned to Fulcrum Biometrics facility or to an authorized service center within the first 90 days of ownership. Shipment shall not be made without prior written authorization by Fulcrum Biometrics.

Fulcrum Biometrics warrants that all products of other manufacturers, resold by Fulcrum Biometrics, conform to manufacturer specifications and are free from defects in material and workmanship when used under normal operating conditions and within the service for which they were furnished. Hardware warranties are passed through from the manufacturer and are typically one (1) year.

This is Fulcrum Biometrics' sole warranty with respect to the products delivered hereunder. No statement, representation, agreement or understanding, oral or written, made by an agent, distributor, representative or employee of Fulcrum Biometrics which is not contained in this warranty, will be binding upon Fulcrum Biometrics unless made in writing and executed by an authorized Fulcrum Biometrics employee.

1. Disclaimer of Warranties:

SOFTWARE, HARDWARE, AND SUPPORT SERVICES ARE PROVIDED "AS-IS" AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FULCRUM BIOMETRICS, ITS AFFILIATES, LICENSORS, THIRD-PARTY CONTENT AND SERVICE PROVIDERS, DISTRIBUTORS, DEALERS AND SUPPLIERS (COLLECTIVELY, "SUPPLIERS") DISCLAIM ALL GUARANTEES AND WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, REGARDING THE SERVICES, CONTENT, AND RELATED MATERIALS, INCLUDING ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, TITLE, MERCHANTABILITY, NON- INTERFERENCE OR NON-INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS AND SIMILAR LAWS OF ANY JURISDICTION. FULCRUM BIOMETRICS AND ITS SUPPLIERS DO NOT WARRANT THAT THE SERVICES ARE SECURE OR FREE FROM BUGS, INTERRUPTION, OR ERRORS, OR THAT THE SERVICES WILL MEET YOUR REQUIREMENTS. FURTHER, FULCRUM BIOMETRICS DOES NOT WARRANT ACCESS TO THE INTERNET OR TO ANY OTHER SERVICE OR CONTENT OR DATA THROUGH THE SERVICES. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. In that event, any implied warranties are limited in duration to thirty (30) days from the first date of service. Under no circumstance shall Fulcrum Biometrics be liable to Buyer, in Contract or in tort, for any special, indirect, incidental, or consequential damages, expenses, losses or delay however caused.

2. Limitation of Liability and Damages:

Fulcrum Biometrics maximum liability, and customer's sole remedy, for any claim will be the refund of an amount not exceeding the purchase price paid by the customer. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FULCRUM BIOMETRICS, ITS AFFILIATES AND ITS SUPPLIERS SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR FOR ANY DAMAGES RELATING TO LOSS OF BUSINESS, TELECOMMUNICATION FAILURES, THE LOSS, CORRUPTION OR THEFT OF DATA, VIRUSES, SPYWARE, LOSS OF PROFITS OR INVESTMENT, WHETHER BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE, EVEN IF FULCRUM BIOMETRICS, ITS AFFILIATES, ITS SUPPLIERS OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND EVEN IF A REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. THE LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN FULCRUM BIOMETRICS AND YOU.

3. Governing Law:

These terms will be governed by and construed in accordance with the laws of the State of Texas, without giving effect to any principles of conflicts of laws. Customer agrees that any action arising out of or relating to the service provided by Fulcrum Biometrics will be filed and maintained only in the state or federal courts located in San Antonio, Texas and subscriber hereby consents and submits to the personal jurisdiction of such courts for the purpose of litigating any such action. If any provision of these terms is deemed unlawful, void or unenforceable for any reason, then that provision will be deemed severable from these terms and will not affect the validity and enforceability of any remaining provisions. This is the entire agreement between Fulcrum Biometrics and the subscriber relating to the subject matter of these terms, and may not be modified except in a writing signed by both the subscriber and an authorized representative of Fulcrum Biometrics.

Resale or transfer of subscription rights is strictly prohibited, and will be grounds for termination or non-renewal of the service plan.

5. Support Availability:

Support availability may vary from stated hours due to downtime for systems and server maintenance, company events, observed U.S. holidays, and events beyond our control. For subscribers in the United States, please call the Fulcrum Biometrics support number (210-257-5615 or 800-430-4601) between 8:30am and 5:30pm Central Time. Subscribers located outside the United States, are encouraged to call Fulcrum Biometrics or set up Skype accounts for verbal conversations. Customers can place support tickets online at <http://support.fulcrumbiometrics.com>. Off-hours support can be arranged by appointment.

As an active subscriber, you may be eligible for additional products, services, and/or discounts when and if such additional products, services and/or discounts become available. These additional offerings or offers may be subject to additional terms, conditions and limitations.

6. Support Topic Limitations:

Inquiries are limited to the following Software product areas: installation, upgrade assistance, basic functionality, and hardware troubleshooting. Fulcrum Biometrics will also assist subscribers with basic connectivity issues between client and server components installed in the same network to the extent necessary to confirm whether such issues relate to equipment or software within Fulcrum Biometrics control. However, Fulcrum Biometrics shall not be responsible for connectivity issues caused by user network setup or configuration, or third-party services, service providers, hardware, or software. The service plan does not cover application consulting or training. Fulcrum support hours and response time guarantees do not apply to third parties to whom Fulcrum Biometrics transfers or escalates a call, in cases where a third parties' hardware or software are involved.

7. Product Upgrade Limitations:

Fulcrum Biometrics will send service plan subscribers new software version upgrades when and if a new release is available for their edition of the product during the subscription period. Subscribers will NOT be entitled to receive a version upgrade released after the expiration date of their subscription. Version upgrades are provided for use by subscribers only and are strictly prohibited from resale.

8. Supported Products and Services:

The service plan subscription covers all supported versions of software (as defined in the Software End User License Agreement) and any services included in the service plan. Support availability for a particular version is subject to change at any time without notice.

9. Privacy Statement:

Your subscription is subject to Fulcrum Biometrics privacy policies, as may be amended from time to time, as set forth in our Privacy Statement: http://www.fulcrumbiometrics.com/terms_privacy.asp. By registering for this subscription, you consent to the use of your personally identifiable information in accordance with such privacy statement.

WARRANTY

Fulcrum Biometrics warrants that its proprietary software will conform to manufacturer specifications and are free from defects in material and workmanship when used under normal operating conditions and within the service for which they were furnished for 90 days.

The obligation of Fulcrum Biometrics hereunder shall expire 90 days after delivery, unless otherwise specified, and is limited to repairing, or at its option, replacing without charge, of any such product which in Fulcrum Biometrics sole opinion proves to be defective within the scope of this warranty. In the event Fulcrum Biometrics is not able to repair or replace defective products or components within a reasonable time after receipt thereof, Buyer shall be credited for their value at the original purchase price.

Fulcrum Biometrics must be notified in writing of the defect or non-conformity within the warranty period and the affected products returned to Fulcrum Biometrics facility or to an authorized service center within the first 90 days of ownership. Shipment shall not be made without prior written authorization by Fulcrum Biometrics.

Fulcrum Biometrics warrants that all products of other manufacturers, resold by Fulcrum Biometrics, conform to manufacturer specifications and are free from defects in material and workmanship when used under normal operating conditions and within the service for which they were furnished. Hardware warranties are passed through from the manufacturer and are typically one (1) year.

This is Fulcrum Biometrics' sole warranty with respect to the products delivered hereunder. No statement, representation, agreement or understanding, oral or written, made by an agent, distributor, representative or employee of Fulcrum Biometrics which is not contained in this warranty, will be binding upon Fulcrum Biometrics unless made in writing and executed by an authorized Fulcrum Biometrics employee.

1. Disclaimer of Warranties:

SOFTWARE, HARDWARE, AND SUPPORT SERVICES ARE PROVIDED "AS-IS" AND, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FULCRUM BIOMETRICS, ITS AFFILIATES, LICENSORS, THIRD-PARTY CONTENT AND SERVICE PROVIDERS, DISTRIBUTORS, DEALERS AND SUPPLIERS (COLLECTIVELY, "SUPPLIERS") DISCLAIM ALL

GUARANTEES AND WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, REGARDING THE SERVICES, CONTENT, AND RELATED MATERIALS, INCLUDING ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, TITLE, MERCHANTABILITY, NON- INTERFERENCE OR NON-INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS AND SIMILAR LAWS OF ANY JURISDICTION. FULCRUM BIOMETRICS AND ITS SUPPLIERS DO NOT WARRANT THAT THE SERVICES ARE SECURE OR FREE FROM BUGS, INTERRUPTION, OR ERRORS, OR THAT THE SERVICES WILL MEET YOUR REQUIREMENTS. FURTHER, FULCRUM BIOMETRICS DOES NOT WARRANT ACCESS TO THE INTERNET OR TO ANY OTHER SERVICE OR CONTENT OR DATA THROUGH THE SERVICES. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. In that event, any implied warranties are limited in duration to thirty (30) days from the first date of service. Under no circumstance shall Fulcrum Biometrics be liable to Buyer, in Contract or in tort, for any special, indirect, incidental, or consequential damages, expenses, losses or delay however caused.

2. Limitation of Liability and Damages:

Fulcrum Biometrics maximum liability, and customer's sole remedy, for any claim will be the refund of an amount not exceeding the purchase price paid by the customer. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FULCRUM BIOMETRICS, ITS AFFILIATES AND ITS SUPPLIERS SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR FOR ANY DAMAGES RELATING TO LOSS OF BUSINESS, TELECOMMUNICATION FAILURES, THE LOSS, CORRUPTION OR THEFT OF DATA, VIRUSES, SPYWARE, LOSS OF PROFITS OR INVESTMENT, WHETHER BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE, EVEN IF FULCRUM BIOMETRICS, ITS AFFILIATES, ITS SUPPLIERS OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND EVEN IF A REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. THE LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN FULCRUM BIOMETRICS AND YOU.

3. Governing Law:

These terms will be governed by and construed in accordance with the laws of the State of Texas, without giving effect to any principles of conflicts of laws. Customer agrees that any action arising out of or relating to the service provided by Fulcrum Biometrics will be filed and maintained only in the state or federal courts located in San Antonio, Texas and subscriber hereby consents and submits to the personal jurisdiction of such courts for the purpose of litigating any such action. If any provision of these terms is deemed unlawful, void or unenforceable for any reason, then that provision will be deemed severable from these terms and will not affect the validity and enforceability of any remaining provisions. This is the entire agreement between Fulcrum Biometrics and the subscriber relating to the subject matter of these terms, and may not be modified except in a writing signed by both the subscriber and an authorized representative of Fulcrum Biometrics.
